THAT'S GRADE TWELVE

If you walk into a room
And your smiles turn into gloom,
If by chance you see a dope
And you say, "There is no hope"--
That's grade twelve.

If you hear a squeaky door
Then see pupils more and more,
If you see some great big books
Put away in little nooks--
That's grade twelve.

If you see a Caroll and Dennis tall
And you see a Donna and Sandy small,
If you see two characters Roy and Dick
Who at sports you think is a great pick--
That's grade twelve.

If you see a Margie pout
At a Rex and Damien who is in doubt,
If you see a James and Jack doze
Then look at Bonnie and JoAnn who knows--
That's grade twelve.

If you hear a Walt and Helen griping
And you see Beverly and Diane typing,
If you hear a Dora and Denny fighting--
When we should be all a writing--
That's grade twelve.

If the horn does crazy sounds
You will know that Don's around
If you see a Patty and Marlena primping
And Kathy always thinking--
That's grade twelve.

If you walk into a room
And your smiles do turn to gloom,
Sure your thoughts won't go astray
If you'll turn about and say--
That's grade twelve.

STRIKE UP THE BAND

The Mio Varsity Marching Band, under the direction of Ronald L. Smith, presents numerous year-round activities such as parades on Memorial Day, Fourth of July, Homecoming, and Labor Day.

Activities during the regular school year include performances through the football and basketball seasons, travels to other communities to perform in events, festivals, and concerts.

A picnic is held at a local lake in the Spring. Plans are now in progress for a party during the year.

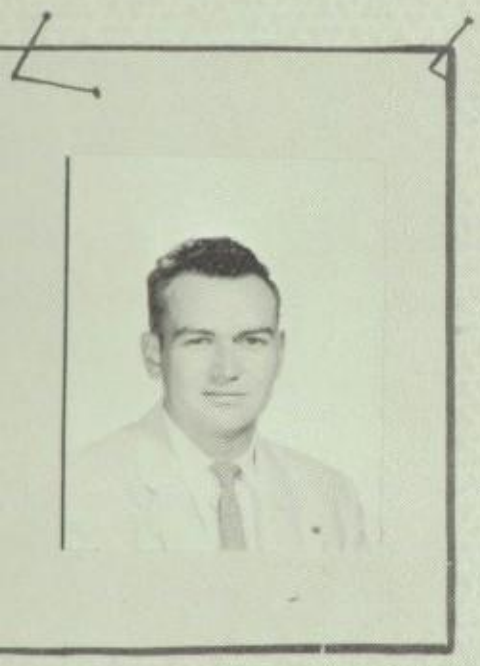
ATHLETICS

FOOTBALL

VARSITY



The 1959 football season at Mio High School will be remembered as one which was made up of joy and heartbreak.

The season began with 19 hopefuls out for the sport. The outlook for the season, at this point, was dim indeed for the team could not even scrimmage among itself. The one fact, however, that was to save the season could be summed up in one word--desire. Yes, all of these boys wanted to play football, even though the team was short on reserve strength and experienced players.

With 19 players suited up the first blows of the season came with a 33-6 defeat at the hands of Whittimore-Prescott, a class "C" school.

In the second start of the season, Mio defeated Hillman 6-0, with this explosive desire to win on a touchdown scored in the final 2 minutes.

The Thunderbolts reached its peak against the Houghton Lake J-V's by romping to a 36-13 win.

The third straight victory came against Alpena's J-V team by a close 12-6 score.

Suffering a letdown, the undermanned Bolts lost at Atlanta by a 31-12 count.

The last game of the season, played with just 12 players, resulted in a 39-0 defeat by Onaway.

With this final game the season record went into the records as 3 wins and 3 losses, which is an outstanding feat for a team as small in size and members as was this 1959 edition representating the Mio High School.

Members of the team who were named to the All-league defensive team were James Dierck, Roy Brown, and Rex McGregor. Walter Lixey was named honorable mention to this star-studded mythical grid team.
